**Title: Dilwale Dulhaniya Le Jayenge RELOADED**

**Cast:**

**Friend 1 : Raj**

**Friend 2 : Simran**

The video is about two childhood friends coming together and meeting each other after a very long time.

Raj sees Simran in a field. At first they both are surprised as they hadn't met each other in years. They were best friends when they were last together and due to time and distance they had separated away.

On seeing each other, they start running towards each other and stop for a while, when they are close enough Raj says

**Raj (to Simran) :** *Koi baat nahi Seniorita, koi baat nahi. Bade bade deshon me toh aisi chhoti chhoti baatein hoti rehti hain.*

And then they hug each other.
